Criteria to ensure your application is considered include the following:

- Applications must be postmarked on or before April 2nd, 2018. In order to be fair to students who return their applications before the deadline, no extensions or exceptions will be granted. Late applications will not be considered. Applications that are hand-cancelled, without a dated postmark, will NOT be accepted if they arrive at our office later than April 6th.
- Please review your application before mailing to verify that you have provided all the information requested. Incomplete applications will not be considered.
- Maryland law requires that scholarship recipients attend a Maryland college, university, or technical or career school. If you are planning to attend an out-of-state school, to be eligible for our scholarship, you must enroll in an academic program that is not offered in Maryland. Please contact the Maryland Higher Education Commission at 410-260-4548 for further information about “unique major status.”
- It is your responsibility to ensure that the application is legible. If you are filling it out by hand, please use blue or black ink and print clearly. Otherwise, the application will be returned to you.

Students may use the House of Delegates Scholarship toward undergraduate, graduate, or professional studies, and may attend full time or part time. Award recipients will be notified on or around June 30th, 2018. High school seniors will be notified on or around their school’s senior awards ceremony. Please do not call to check the status of your application; awardees will be notified.
